Official Vehicle Partner

PEUGEOT E-208 GTi

OVERVIEW

DRIVING INSTINCT

ELECTRIC PERFORMANCE

- 281 hp & 345 Nm electric motor
- 0 to 62 mph in 5.5 seconds
- Top speed of 112mph
- 51 kWh battery (usable capacity), with performance-optimised cooling system
- Power-to-weight ratio of 5.5 kg/hp

CHASSIS BY PEUGEOT SPORT

- Lowered chassis and wider tracks
- Mechanical limited-slip differential
- Hydraulic bump stop suspension
- Michelin Pilot Sport 4S performance tyres
- Dedicated Sport mode for enhanced agility and feel
- Sport-calibrated steering: paired with a compact steering wheel for maximum dynamism

HIGH- PERFORMANCE BRAKING SYSTEM

- 355mm front discs and 4-piston fixed callipers
- Pure mechanical braking in Sport mode, for a driving experience tailored for a sporty drive

PEUGEOT GTi DNA

EXTERIOR

- Front bumper grille - Nera Black hot stamping with Red accents
- Gloss black roof spoiler with red inner face
- Body coloured extended front bumper
- Extended wheelarches with red trim
- Gloss Black rear sport diffuser
- Exclusive 18" 'Belchamp' two-tone diamond-cut alloy wheels
- 'Black Diamond' two-tone roof

INTERIOR

- New Sport seats with exclusive GTi upholstery
- Perforated full-grain leather & Alcantara® steering wheel and '208 GTi' badge
- Red carpeting and front/rear floor mats
- Red/'Tramontane' stitching around the interior

>> Electric Vehcile Range for standard specification without factory fitted options. Factory fitted options may reduce electric vehicle range

CO_2 figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO_2 figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO_2 emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable.

For further information on CO_2 and pricing for vehicles with optional equipment, please visit www.peugeot.co.uk and configure your chosen vehicle with your preferred options.

Figures shown are for comparison purposes and should only be compared to the fuel consumption, electric range and CO_2 values of other cars tested to the same technical standard.

The fuel consumption or electric range achieved, and CO_2 produced (where applicable), in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); the starting charge of the battery (electric only); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption, electric range and CO_2 figures.**'On the Road' MRRP includes registration plates and delivery to retailer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

PEUGEOT E-208 GTi

E-208 GTi EQUIPMENT

Safety & Security

- ABS (Anti-lock Braking System) with EBD (Electronic Braking Distribution) and EBA (Emergency Braking Assistance)
- Airbags: Driver and front passenger airbags (includes passenger airbag deactivation function)
- Airbags: Driver and front passenger side airbag
- Airbags: Curtain airbags
- Alarm – Connected, Volumetric, Perimetric & Anti-lift sensor
- Automatic door locking when moving off
- Automatic hazard light activation upon heavy brake application
- AVAS: Acoustic Vehicle Alerting System. Generates a sound when travelling at low speed, audible outside the vehicle for pedestrian safety
- Child locking functionality on rear doors
- Deadlocking
- Electronic code immobiliser
- ESP (Electronic Stability Programme) with Hill Start Assist
- Front optimised safety headrests and rear retractable headrests (x3), height-adjustable.
- Front three-point retractable seatbelts, with force limiters
- Isofix child seat fittings (x2) in the second row
- Headlights left on audible warning
- PEUGEOT Connect SOS and Assistance
- Speed Limiter
- Drive Assist Pack Plus: Adaptive cruise control with Stop & Go function
- Lane position assist
- Lane Keep Assist
- Speed limit recognition and recommendation
- Active Safety Brake – AEBS3 (Night function, cyclists, pedestrians)
- Blind spot monitoring
- Driver attention warning
- Seatbelt unfastened on the move audible and visual alert for front and rear seats
- Tyre pressure monitoring
- Exterior temperature indicator with ice warning
- Driver Vigilance Camera

PEUGEOT E-208 GTi

E-208 GTi EQUIPMENT

Comfort & Convenience

- Acoustic Windscreen
- Cabin pre-conditioning
- High centre console with 2 cup holders
- Central front armrest with storage compartment
- Electric front and rear windows with 'one-touch' and pinch protection
- Electric, heated and power folding door mirrors with floor welcome lighting
- Frameless electrochrome rear view mirror
- Electric parking brake
- 11 kW triphase bi-directional On board charger
- Mode 3 type 2 cable for Wallbox charging
- Electric power steering with reach and rake adjustable steering column
- Multifunction trip computer
- Parking sensors – front & rear with side flank guard protection
- HD Front and Rear Cameras with 360° vision
- PEUGEOT i-Cockpit®: compact steering wheel
- PEUGEOT i-Cockpit®: 10.0" HD capacitive colour touchscreen
- PEUGEOT i-Cockpit®: with 10.0" configurable 3D colour instrument panel
- Push button start
- Remote Plip (x2) for locking, unlocking, includes emergency key blade
- PEUGEOT Open & Go system (keyless entry with proximity function)
- Dark tinted rear side and tailgate windows
- Tailgate with heated rear windscreen & wiper blade
- Rear windscreen wiper triggered automatically in reverse gear
- Drive Mode Selection: Eco / Normal / Sport
- Tyre Repair & Inflation Kit

In Car Entertainment

- Bluetooth® telephone facility

- GTi specific Sport Mode calibration for ESC (Electronic Stability Control)

Electric Specific

- 51 kWh Traction battery with enhanced cooling system by Peugeot Sport
- 22 kW three- phase Mode 3 Type 2 charging cable
- 11 kW three- phase bi-directional on-board charger
- V2L (Vehicle to Load) compatible

PEUGEOT CARE

PEUGEOT CARE delivers peace of mind by providing comprehensive cover for the electric motor, charging system, powertrain, and electrical and mechanical components for **up to 8 years, or 100,000 miles**, whichever comes first, from the date of registration, on PEUGEOT electric cars. It is in addition to the specific warranty offered by PEUGEOT on all its electric vehicle batteries, also lasting 8 years or 100,000 miles, to cover the entire vehicle. This makes PEUGEOT the first European brand to offer such extensive coverage on one of its models.

PEUGEOT CARE consists of 3 years standard manufacturer’s warranty plus up to 5 years of special coverage, activated when you decide to maintain your car in the participating PEUGEOT network in line with our service programme. It is valid up to the next scheduled service and reactivated for vehicles up to 8 years old or 100,000 miles, whichever happens first. PEUGEOT CARE is available on new and UK ordered: E-208 (inc. GTi), E-2008, E-308, E-308 SW, E-3008, E-408, E-5008, E-Rifter and E-Traveller. PEUGEOT CARE does not affect your legal guarantee of conformity or the manufacturer warranty on your car. Please see full terms & conditions.

EQUIPMENT DETAILS

PEUGEOT i-CONNECT® ADVANCED

PEUGEOT i-Connect® Advanced offers a complete technological experience, with its powerful and efficient TomTom® connected navigation. For optimal readability, the map can be displayed across the entire 10" HD touchscreen. It is also fully and easily customisable with widgets, just like a tablet.

"OK PEUGEOT," the natural language voice recognition command, enhances safety and ease of use, assists the user and provides access to all features.

PEUGEOT i-Connect® Advanced offers documentation and built-in tutorials.

DRIVE ASSIST PLUS PACK

The Drive Assist Plus Pack[1] enables semi-autonomous driving. With lane positioning assistance[2] and adaptive cruise control including Stop & Go[3], it automatically adjusts the vehicle's speed to that of the vehicle in front, maintaining a safe distance.

1 Available as standard.
2 System that keeps the vehicle in its lane, according to the driver's chosen position.
3 System using a radar unit located in the centre of the front bumper and a camera at the top of the windshield.

PEUGEOT E-208 GTi
EQUIPMENT DETAILS

TRIP PLANNER

The Trip Planner, integrated into the navigation system, calculates and updates the best route by analysing charging needs and times based on several criteria (distance, battery charge level, power consumption, etc.). It allows you to view charging points of interest (POIs) and provides a route that takes into account the most efficient stops to minimize charging time.

The MyPeugeot App's Trip Planner also allows you to plan a trip and send it over-the-air to the onboard navigation system.

V2L (VEHICLE TO LOAD)

Vehicle-to-load (V2L) preparation is standard on E-208 GTi.

The V2L functionality provides the ability to run a high-power electrical device (e.g charge an e-Bike or run an electrical tool) through the car's high-voltage battery. It can provide electricity up to 3kW and 16A.

V2L function is easy to use: the user plugs an adaptor (available as an Accessory from PEUGEOT retailers) into the car's type 2 socket. Electrical devices can then be plugged into the adaptor. When V2L is activated, a minimum 30% State of Charge (SOC) threshold (pre-set & not adjustable) will be set by the car; once the threshold is reached, V2L will be deactivated.
